Clarification of Memorandum on Qualifications Review Panel

5. In response to a query by C/CSTC on the Qualifications Review Panel, he was referred to the original memorandum of 13 May 1955: "Selection Procedure for Full-Time External Training". The Qualification Panel was established to ensure the selection of qualified people for long-term external training projects, but it can also serve at request as an aid in preliminary screening of candidates. It was suggested that C/CSTC should attend the next session of the panel to observe its procedures.
